

HTCTB123-G | Cup Holder Gooseneck Mount for HTC Thunderbolt™ Smartphone

Package Contents:

- (1) GN033-SBH - Gooseneck cup holder mount
- (1) CC009-TB - Custom cradle for HTC Thunderbolt smartphone

Note: Mount may not work with adjustable, “pop out” cup holders or oversize cup holder openings found in full-size pickup trucks.

Compatible with:

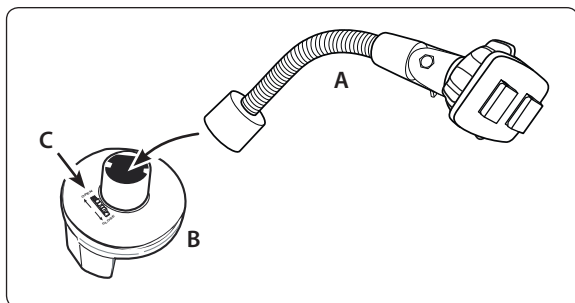

- HTC Thunderbolt smartphones without protective skins or cases.

 Always use the cradle with the thumb tab up. Do not rotate the cradle 180° where it may fall off mount head. Do not place mount in or near an air bag deployment zone or where it will obstruct view of the road.

All brand names and product names are trademarks or registered trademarks of their respective owners.

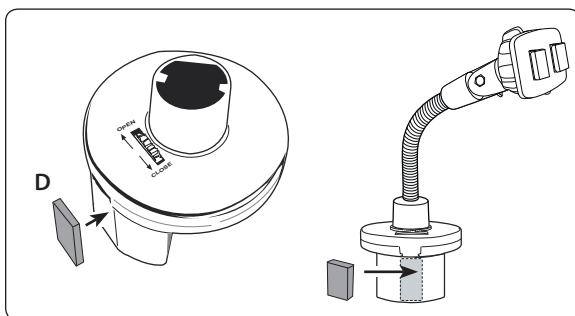

Cup Holder Mounting

- Step 1. Connect the gooseneck (A) to the cup holder base (B) by aligning the groove on the base to the ridge inside the bottom of the gooseneck.

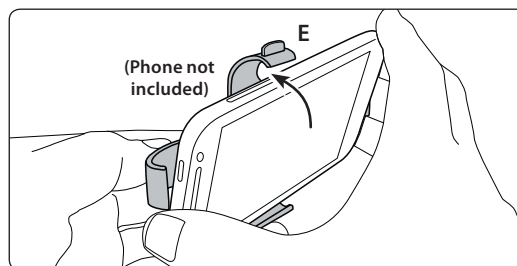

- Step 2. Place the Cup Holder Mount into a designated cup holder in the vehicle. Adjust the thumb wheel adjuster (C) to open or close the cup holder prongs to fit in the cup holder.

- Step 3. For oversize cup holder openings or the adjustable “pop out” cup holders use the optional self-adhesive side support pads (D). Install the pads by removing the adhesive backing and placing it on the flat surface side of the cup holder support leg.

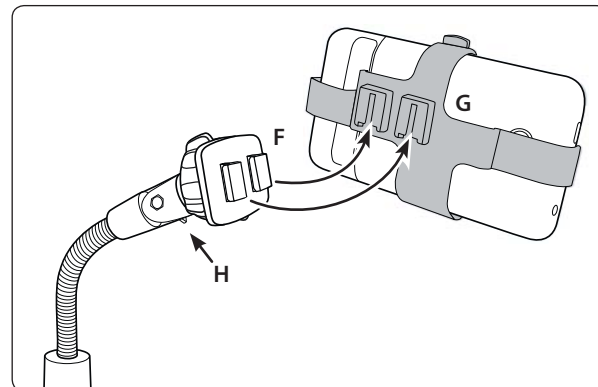

HTC Thunderbolt Insertion into Cradle

- Step 1. Hold the custom cradle and insert the HTC Thunderbolt phone device (not included, sold separately) into the cradle with the thumb tab (E) at the top. The top of the phone should be rotated to the left when inserted to the cradle.

Attach the Cradle to Mount Pedestal

- Step 1. Attach the custom cradle to the dual T-head by inserting the dual T-tabs (F) into the dual T-slots (G) on the back of the cradle. Tighten the head angle adjustment ring (H).
- Step 2. Adjust the angle of the ball head by tightening the adjustment wingnut (H).

Safety Precautions

Follow all manufacturer safety guidelines for operating your device. Failure to practice safe usage of smartphone device while driving may result in damage, injury, or death.

Arkon is not responsible for any damages caused to your car, your device, or yourself due to the installation or use of this pedestal mount.
